**Re:** Legislative Update

---

This Week at The Capitol:

This was a very busy and positive week for YSBs.

On Wednesday, CYSA was represented exceedingly well by all manner of membership including some of the youth you serve. About a half a dozen of the kids you work with spoke overwhelmingly in favor of YSBs and what they have done for each of them. Each shared their own stories why they are better off today than before they became part of their local YSB. They were all well received by Committee leadership!

It is also important to note that Erica B., Justin C. and Scott C. all spoke on different aspects of the importance of the work YSBs do. Erica spoke in detail about the long promised, yet to be appropriated Juvenile Justice funding, while both Justin and Scott requested new money for the Town of Somers so they can open a new YSB.

I want to thank ALL of you and your kids for testifying before the Appropriations Committee! Everyone's testimony makes a difference!!

On Friday, DCF appeared before the Appropriations' Human Service subcommittee for their budget presentation. Usually, these presentations are held PRIOR to the public hearing, but because both the House and Senate held sessions over the last week, both DCF's presentation and Department of Education's presentation had to be rescheduled.

The next step in the budget process will be for the subcommittee's work session enabling the DCF Commissioner and her staff answer questions which come out of their budget presentation. For the public, this is a listening session only. However, it has yet to be scheduled. I will, of course, let you know when it is.

As always, should you have any questions or concerns about these or any other Legislative matters, please contact me at your convenience. Also, please share this information with your members as you see fit.
