Re: Legislative Update

This Week at The Capitol:

With Committee passage of the budget and tax packages last week, legislative action now turns from the LOB to the Senate and House Chambers. Both the House and Senate were in session this week, the House on Monday and the Senate on Tuesday and Wednesday.

On Monday, the House placed on its “GO List” two bills of interest for CYSA, HB 6112, AA Requiring A Survey of Court-Involved Youths and HB 6399, AAC the Centers for Disease Control and Prevention Youth Risk Behavior Survey. Neither bill was called and the House was not in session the rest of the week.

On Tuesday, for approximately 9 hours, the Senate debated HB 6423, AAC Immunizations, after the House had debated it for 16 hours the week before. The bill passed the Senate by a vote of 22-14 and the Governor signed the bill on Wednesday. As you may have seen in the news, those parents opposed to the measure are moving forward with suits in both state and federal Court. The Governor, Attorney General and Democratic legislative Leadership are confident the law will be upheld and they will prevail in Court.

On Wednesday, the Senate was back in session and referred nearly 60 bills to various Committees including both bills banning E-Cigarette flavors. Both SB 326, AA Prohibiting the Sale of Flavored Cigarettes, Tobacco Products, Electronic Nicotine Delivery Systems and Vapor Products and SB 985, AAC the Sale of Flavored Electronic Nicotine Delivery Systems and Vapor Products and Children’s Health were referred to the Finance Committee for further review. A note of interest...when Finance passed the Tax Package last week, they did NOT take into account the LOSS of revenue from the passage of either, any, or all of the Flavor Ban bills. What this means is, should Finance send the referred bills back to the Senate, they might very well get wrapped up in budget negotiations. Stay tuned!

As always, please contact me at your convenience should you have any questions or concerns about these or any other Legislative matters. Also, please share this information with your members as you see fit.
