Durham Middlefield Youth and Family Services

Presents:

Party Prevention and Controlled Party Dispersal

This presentation attempts to enhance the knowledge of law enforcement and the community at large in understanding the dramatic shift of perception about alcohol consumption.

Monday January 23rd

11:00am - 3:00pm

at the Middlefield Community Center

405 Main Street

Middlefield, CT 06455

Training is free, registration is *required*.

Limit space.

Lunch will be provided.

Register here!

Participants who attend this training will:

- Discuss the causes of underage drinking and current research to guide interventions
 - Review underage drinking statutes
 - Generate strategies for party prevention
- Learn procedures for implementing a "Controlled Dispersal"
- Learn how community and political support can be generated to address the problem of underage drinking parties through prevention
